

Saturdays, April 1 & 15, 2 - 4 p.m., "Spring Rider." There's still room in this class for you to join us and make this wonderful wool applique pillow that was our retreat project this year ~ just in time for Easter. Class fee, including the pattern, the stuffing, and all supplies to make this adorable bunny pillow, \$45.

- Sunday, April 2, 1 - 5 p.m., Treasures In The Attic ~ A Very Special Sunday Afternoon! ~ with Gloria Moore of *Milady's Needle*.** Here's the photo! Isn't it wonderful?! Gloria has designed this very special Pin Keep just for The Attic. Appropriately called *Treasures In The Attic*, this lovely Pin Keep is stitched on 36c (or 40c if you wish) Magnolia Linen from *Lakeside Linens* (our favorite linen) using *Crescent Colours* (another Attic favorite). Gloria will teach several sampler stitches, including the Two-Sided Italian Cross, Queen Stitch, Diamond Eyelet, Alternating Back Stitch, Montenegrin Stitch, Rice Stitch, and Double Running Stitch during this 4-hour class. Finishing of the Pin Keep will be reviewed so that you will be able to finish this piece after all of your stitching is complete. The **class fee of \$50** will include your kit with all of the materials, the *Milady's Needle* chart, *Lakeside Linens* fabric, the *Crescent Colours* threads, finishing materials, and our favorite needle, as well as Gloria's instruction.
- A special Sunday-afternoon-only trunk show and an opportunity to meet Gloria and see all of her latest models. And here are some of them::

- Another surprise visitor will join us for the afternoon! Sharon Crescent/*Crescent Colours* of Tucson will be with us as well.
- Our classroom will accommodate one or two more, so if your schedule allows, we hope you can join us for this special April Sunday afternoon from 1:00-5:00 p.m. **Please call to register.**

You may have noticed this newsletter is labeled "Part 1" ~ this morning's time is short ~ time to get in the traffic pattern on the road to a luncheon in Phoenix. Yesterday was Grandparents' Day at Tyler and Hannah's school, and following a wonderful musical program we all went to lunch. Here are the wonderful grandchildren again, and with their Grandpa Ralph and Grandma Billie, the wonderful parents of my adopted son. What a wonderful gift for John and I ~ to share in the special moments in the lives of my son and his family!

I'll be back in touch very soon with lots more ~
